The letter will also contain a written Student Agreement. **You must read and sign the original of this Student Agreement and return it to the College, or its agent without delay.**

Once the College, has received the signed original of your student agreement, we will issue you with an invoice for the part-payment of fees in advance. When these are paid, you will receive a Confirmation of Enrolment CoE, which you can take to your nearest Australian Embassy or consulate and obtain an **Australian Student Visa.**

All this sounds like lot of work, but it safeguards you from any misunderstanding about your enrolment and the whole process could only take a couple of days if you have all your certified documents and your course fees ready to go.

When you apply for your Student Visa, take careful note of what the Australian Embassy requires you to bring to your visa interview. They will want a copy of your translated and certified results too.

NOTE: Course Fees and Charges:

Gold Coast Language Centre and Marine Training College reserves the right to alter or increase its fees and charges at any time. However, once a deposit of course fees has been paid and an offer has been accepted, the quoted rate will be guaranteed for a period of one calendar year thereafter. Course fees and charges are usually reviewed in October or November each year.
